6. Click Save

Need Help? Our email and telephone number are located at the end of each screen.

Provider Main Menu Tabs

Home   Update Data   Pictures   View Profile   Referral Counts

Data is organized in sections with one section open at a time. Remember to "Save."

HOME tab displays OCCRRA's contact information.

UPDATE DATA tab opens to your contact information section displaying the data fields available for you to update, as often as you'd like. Remember to "Save."

PICTURES allow you to add up to 5 pictures to showcase your child care program to families.

VIEW PROFILE pulls your data together for you to view and share with families, serves as a nice marketing piece.

REFERRAL COUNTS show you the number of times a family has viewed your profile since July 1, 2017 or for the current month.
